

ZELI ROCHA AROMA

CATALOG - 2025

I grew up in Southern Brazil, where my love for nature first blossomed — climbing trees, tending vegetables, and discovering the quiet magic of plants. That connection guided me into holistic healing, and for the past 18 years I've dedicated my work to helping people feel grounded, balanced, and at ease.

This passion also inspired me to create my own line of aromatherapy products. Each spray is handcrafted in small batches with high-quality essential oils, chosen for both their therapeutic benefits and their beautiful aromas. Whether you're seeking calm, clarity, or a gentle lift, these blends turn simple moments into nourishing rituals.

My aim is to bring the essence of natural healing into everyday life, extending the comfort of a treatment into the spaces where you live, work, and rest.
